

there will never be another *Sabrina*

a beautiful, little angel on earth - sent from heaven  
living life like no-one else - to the limit, lively and excitable  
taught lessons like no other  
a teacher who inspired us

a role model  
wisdom beyond her years  
determined to conquer the world  
positively 'out there'  
enjoyed every moment of every day  
never ending love of life, family and friends  
as her smile was

she lit up a room when she walked through the door  
like a ball of energy bursting into the world - active, energetic  
a rainbow  
a shining star

always looked up, never looked down  
even though she went through dark times  
she lit up her own path  
looked at the glass half full, not half empty  
so funny ...

she made our cheeks hurt and made the days better  
her beloved voices and confident acting  
random, ingenious jokes and dances, funniest of them all  
quirky sense of humour that made the whole class laugh  
her fun way of doing things  
she was the power plug to get everyone going  
the ink in the pen

the crazy, sweet smartie that gave 5K a buss of fun  
hilarious, but serious, thoughtful too  
a quiet achiever

artistic, creative, passionate  
individual risktaker - with her own way of doing things  
daredevil

a comedian who cared for everyone  
generous, kind and giving - always made sure you were okay  
like a comforting mother

made us feel special with the warmest heart  
never hurtful, always kind, inclusive  
loyal friend to boys and girls, peacekeeper, pacifier  
if every drop of her love was a star, she would fill up the whole sky  
her life's journey beautifully crafted in every way  
wonderful, helpful classmate  
the person we always wanted to be around  
friendly and respectful of other's feelings

A tribute written by  
Class 5K, 2011

*Sabrina* - our gift from God

the best present ever  
who we loved  
still love ...

her voice in our hearts saying to never give up, to be positive  
and never let go of the monkey bars

worthy of years of tears  
A fleeting butterfly who touched us all  
A loving, sparkling, crystal gem  
Who shone on all of us
